For your request from February 1<sup>st</sup>, 2019

Consular Department of the Ministry of Foreign Affairs of the Republic of Kazakhstan, informs you the following after considering your request regarding your relative, Chinese citizen, Kari Aishanzhan.

As your relative is a Chinese citizen, the competent authorities of that country have said that his/her case will be considered in accordance with the domestic law of China.

In addition, paragraph 1 of Article 55 of the Vienna Convention on Consular Relations of 18 April 1963 states that one State has no right to interfere in the internal affairs of the other State.

However, Consular Department of the Ministry of Foreign Affairs of the Republic of Kazakhstan, in order to ensure that your request is addressed fairly, taking into consideration the principles of international and Chinese legislation on living together and non-alienation of the family members, a request is taken under control and working with statements with Chinese side for positive review of the case.

Your request is being disclosed as a response.

Deputy Director
